

TOWN OF CAVENDISH PLANNING COMMISSION

Meeting Minutes of December 3, 2014

Members Present: Steve Birge, Dan Churchill, John Saydek, Etienne Ting, Dan Willey

Members Absent: April Hansel, Joe Marini, Carol Walasewicz, Robert Williams

Select Board Liaison Present: Wendy Regier

Members of the Public Present: None

Etienne called the meeting to order at 6:32 p.m.

Adjust Agenda:

Hear Citizens: None

New Business:

Etienne handed out consolidated list of goals, objectives, policies, and recommendations from the current town plan. Results of the 2012 town survey and a list that highlights various town plan related efforts and achievements made by the Town of Cavendish in recent years. Etienne lead the discussion that the current town plan's 11 goals, 49 objectives, 110 policies, and 54 recommendations are scattered throughout the document. It makes the plan difficult to read and even more difficult to use as a reference for Act 250 hearing purposes. After much discussion, John offered a trial solution. He suggested that the goals be listed in the Overall Goal section of the town plan. At the end of each topic section reiterate the goal followed by objectives, policies and recommendations as necessary. Etienne will forward the information to Jason in his effort of helping with the update. The Town of Cavendish Capital Budget and Program, approved on June 9, 2014, was distributed and discusses. It will be included in the updated town plan.

Etienne distributed information on email announcing the release of the ANR River Corridor Base Map. He will forward the original emails, which contains the URL links of the maps, to all PC members.

Old Business:

The PC will delay setting a hearing date for the draft Flood Hazard Regulation until the Vermont Hydrography Dataset (VHD), which is maintained by the Vermont Center for Geographic Information, becomes available and can be reviewed by the PC.

Approve meeting minutes:

Dan Churchill motioned seconded by Steve to accept the November 5, 2014 meeting minutes. Motion passed unanimously.

Review correspondence: None
